

## Literacy

Through class and small group work the children will study the following text types:

Poetry— Michael Rosen poetry

Non- Fiction—reports, explanations

Fiction—Paddington stories, Little Red Riding Hood, stories by Simon Bartram

We will also explore a variety of texts through our guided reading sessions.

## Numeracy

We will follow the objectives from the new National Curriculum which are divided into four main areas: Number, Measure, Geometry and Statistics.

## PSHE

### Looking Forward

We will find out about people's jobs and how they earn money. We will think about the choices people make to spend or save their money.

### My Friends and Family

We will find out about life cycles and identify people that care for us. We will find out how to keep our teeth healthy.

## Key Stage 1

**Miss Fricker  
Mrs Brennan  
Miss Wooster**

## Geography

### Sensational Safari

We will recap our knowledge of continents and oceans. We will find out about life in Kenya and explore maps, photographs and videos linked to the country.

## Science

### Our Changing World

We will observe and discuss seasonal changes, identifying the differences between weather, temperature and changes in the environment.

### Growing Up/Take Care

We will also be investigating how humans grow and change and how to stay healthy.

## I.C.T.

We will be learning how to stay safe when using the internet. We will create simple animations using Scratch and programme virtual Beebots.

## Music

We will be learning about signs and symbols in music. We will use symbols to compose and record our own pieces of music.

## P.E.

### Year 1

Swimming—We will develop the skills and strength required for front crawl, back crawl and breast stroke.

### Year 2

Outdoor games—We will be developing our skills when throwing, catching, striking and controlling a ball.

### Year 1 and Year 2

Gym—We will develop our control and co-ordination when working on the floor and on a variety of apparatus.

## R.E.

### Belonging

We will discuss the groups that we belong to and find out what it means to belong to a religious community.

### Easter

We will discuss people and things that are important to us and link this to giving something up for love.

## D.T.

### Safari Vehicles

We will find out how cars move and investigate axles and wheels. We will design, make and evaluate vehicles that can transport a toy animal.
