

Sport and PE at Roundwood Primary 2016-2017

Sports Premium

Every year, primary schools across the country are given money to improve the teaching and quality of PE. This is called the Sports Premium. Over the last few years, Roundwood has utilised their Sports Premium in a variety of ways including: employing a Sports Apprentice to enhance sporting experiences for the children by working alongside the class teacher to support in the delivery of PE lesson and by running extra-curricular clubs; funding opportunities during National School Sports week to broaden the range of sporting experiences our children encounter whilst at Roundwood Primary as well as providing additional equipment to enhance the delivery of PE lessons. The Sports Premium total for Roundwood Primary School for 2016/2017 is £9,345.

As part of our ongoing commitment towards the development of PE, we use sports coaches to assist in the delivery of PE at Roundwood. In addition pupils in Years 5 and 6 have received coaching in Tag Rugby and we are delighted that Mr Luca Riccio and Mr Alvin Brown are working with children from Reception to Year 6 delivering high quality coaching and sport alongside class teachers. During the summer term, the Sports Premium will be used to enable all children to receive 40 minutes physical education from a sports coach. Children also have access to extra-curricular sports clubs. This coaching will enable the children to develop their existing skills as well as experience new sports. Reception and Key Stage 1 children focus on activities to develop agility, balance and co-ordination and pupils in Key Stage 2 develop these skills further through a variety of different sports.

In addition to funding sports coaches, additional PE equipment has been purchased, including table tennis bats and balls for outdoors, footballs and netballs, gym mats, benches and agility tables for use in gymnastics. To facilitate the development of gross motor skills and upper body strength in KS2, we will be adding to the outdoor equipment with the installation of a climbing/bouldering wall.

Sports Premium activities.

During the Spring term Years 5 and 6 had specialist tag rugby sessions delivered by Harpenden Football and Rugby Club coach Gavin Lendon. These sessions built on the work the children covered during the Autumn term focusing on the tactics and techniques required for individuals and teams. During the final session children took part in an inter house tag rugby tournament, which required them to play in their house teams.

Netball

To continue to develop the children's skills sports premium money was used to buy in a netball coach from Uplay Netball. These sessions ran over the Easter term. This has enabled the children to build on existing skills and to develop their match awareness. As a result of the popularity of this provision, the coach will be running further sessions in the Summer term.

Cost breakdown of Expenditure

	Actions	Evidence	Time	Cost	Outcomes and impact
Quantity of provision	<p>To extend core physical education enabling children to access a wider range of activities.</p> <p>To provide more opportunities for pupils to participate in physical activities.</p> <p>To create extended opportunities to develop physical literacy.</p>	<p>A specialist rugby coach 3 hours of Tag Rugby a week throughout the spring term.</p> <p>2 x Sports coaches employed equivalent to 40 minutes extra physical education and an extra-curricular club each week.</p>	Spring & Summer 2017	£5,625	<p>Pupils in UKS2 participated in a Tag Rugby tournament in the spring term, developing game understanding, skills and tactics.</p> <p>Increased opportunities to participate in a range of activities through curricular lessons and extra-curricular clubs.</p>
Safe and adequate resources	<p>To increase the equipment available for use during play and lunch times.</p> <p>To renew physical education and sports resources.</p>	<p>Play equipment: table tennis bats, balls for outdoor use (footballs and netballs), multi skills equipment (hoops, skipping ropes), 4 x football goals.</p> <p>Sports equipment: Gymnastics mats, agility tables, benches</p> <p>Bouldering wall for KS2 playground.</p>	Spring 2017	£3,720	<p>Increased opportunities for children to develop physical literacy through using play equipment.</p> <p>Opportunities for children to practice and develop social skills.</p> <p>All pupils are able to use new equipment safely in physical education.</p> <p>Development of gross motor skills for KS2 pupils</p>
Total expenditure				£9,345	
Sustainability Measure	<p>The School's Friends Association has guaranteed to contribute towards the funding of sports coaches going forward to ensure financial sustainability of the provision. Strong links have been established with local clubs to ensure sustainability of the clubs in the future and provide sporting opportunities for local athletes.</p>				

Impact on Pupils' Attainment

Pupils came third in the Harpenden Schools' Netball League. More pupils were successful in securing places in the final events during District Sports. In Cross Country, pupils performed very well, securing 4th and 10th place out of the 14 schools taking part. Pupil confidence has grown as their skills have developed, demonstrated by the increase in the number of pupils taking part in extracurricular opportunities. For the first time, pupils took part in the local schools' girls' football tournament.

Impact of Sports premium Funding to date

PE and Sport Premium Outcome indicator	Provision	Impact
Engagement of all pupils in regular physical activity to promote healthy lifestyles	Wider range of clubs for all age ranges	Sporting opportunities extended for all ages groups to include non-competitive sports such as yoga and Jado Quin Do.
	Additional playground equipment	Equipment enabling sports leaders to run activities for all children.
	Training for school play leaders and recruitment of Sports Ambassadors	Training provided for the Senior Supervisory assistant to train year 5 pupils as sports leaders.
	Increased links with the Secondary school	Assistance with netball club. Use of facilities including indoor sports hall and dance studio to enable PE and sports activities to take place in adverse weather.
	Annual Sports week to introduce pupils to new sports	All children are encouraged to participate in a wide variety of sports including archery, ultimate Frisbee and handball. Profile of sports is raised by including visitors and sporting trips to increase awareness of sports beyond the primary curriculum.
	Yoga and Mindfulness clubs to promote pupil wellbeing and thus promote healthy lifestyles	Clubs are well attended and have helped less confident pupils to manage their emotions successfully. Clubs provide alternative opportunities for pupils who do not wish to take part in competitive sports.
	Themed assemblies promote healthy lifestyles	Assemblies promote themes to the wider community and raise the profile of healthy lifestyles among all pupils.
The profile of PE and Sport is raised across the school as a tool for whole school improvement	Sporting fixtures celebrated in assembly	Profile of sport has been raised among the school community.
	Sporting fixtures and results celebrated in Newsletters and on the website	Profile of sport raised among the school community.
	Use of Sports apprentice	Many more sporting opportunities at lunchtimes such as girls' football. Greater adult to child ratio to enable quality provision and to ensure effective teaching and learning takes place.
	Employment of Sports Coaches	Increased staff knowledge and training. Increase in enthusiasm from children. Provision of good role models for pupils. Provides professional development opportunities for the sports leaders. Increased links with local clubs.

Increased confidence knowledge and skills in all staff teaching PE and Sport	All class teachers have worked alongside a sports apprentice	Increased confidence shown by staff. More accurate assessment of pupils' needs. Greater opportunities for staff to learn different approaches for teaching PE. Sharing of subject knowledge and different sports.		
	Specialist sports coaches are employed to provide further ideas and staff training and development			
	Regular training provided for staff and team teaching where appropriate	Raise standards of teaching and learning and give staff confidence. Raising the profile of sport.		
	Teachers from the Secondary school used to provide additional coaching and training			
Broader experience of range of sports and activities offered to all pupils	Sports week – activities for all pupils from Reception to Year 6.	All children are involved throughout the week. Opportunities to participate in a wide range of different activities such as handball, ultimate Frisbee and archery.		
	Specialist sports men and women visit school	Provide inspiration for all pupils. Opens the children's eyes to the world of sport beyond school experiences. Allows children to understand the importance of sport in our wider society and sport for all is promoted through visiting Paralympians.		
	Additional equipment for a range of sports	More children are able to be engaged in small group activities and paired activities. More challenging equipment allows for differentiation in experiences and delivery within lessons.		
Increased participation in competitive sports	Involvement in Harpenden District School Sports Association	Pupils take pride in representing their school. Greater opportunities to take part in competitions. Raised self-esteem of pupils. Develops opportunities for teachers to work alongside colleagues from other schools.		
	Increased participation in extracurricular opportunities		Boys	Girls
		Summer '16	37	26
		Autumn '16	37	26
		Spring '17	58	36
Increased participation in clubs by all pupils
