

Roundwood Breakfast & After school Club Information

Open Monday to Friday 7.30-8.45am and 3.15-6.10pm.

Jousters are a small family business with 20 years' experience running Ofsted registered breakfast & after school clubs in Hertfordshire. Staff hold clear enhanced police checks and a range of qualifications and training to ensure your children are cared for in a safe, caring and welcoming environment.

Any child attending the school from reception to year 6 are welcome to join us, subject to availability.

Daily Routine

Children are based in the main school hall. Children have access to the school outside play area and field. Children are dropped off or collected from their classes by Jousters staff at the beginning and end of the school day, ensuring there is always a safe adult to adult handover.

Once children are signed into the setting, they are free to choose what they would like to do from a range of toys and activities, such as crafts, construction, dress up, and tabletop games as well as adult led activities such as cooking, sewing & messy play.

The children from reception class are allocated a Jousters key worker, this is to help us get to know them quickly and to settle them into Jousters. While children are in our care, we believe Jousters has a wonderful opportunity to support children with their social skills such as sharing, taking turns, being polite and respecting each other and staff. We work closely with the children's teachers to make sure each child has the best care possible. There is a range of fun activities on offer, and plenty of free choice, children are free to play, create and build - or simply socialise with their friends.

Food

Children are offered a healthy breakfast of cereal (non-sugar or chocolate coated) or toast with jam, honey or marmite & fresh fruit. After school we offer a light tea to include sandwiches with cheese, marmite, honey or jam with fresh fruit and vegetables, please do chat to staff if your child has any medical allergies or intolerances. We do not allow children to supply their own unhealthy snacks.

Continue Other School Clubs

Children wishing to join in with other school clubs are also able to do so, if you let the Jousters staff know we will make sure they get collected from the club at the end of their session.
