HERTFORDSHIRE COUNTY COUNCIL

Headteacher: Suzanne Webb

Dear Parents and carers,

I do hope you all had lovely Easter holidays with lots of rest and relaxation and everyone is now well and truly back into the swing of school.

I have had queries about the key methods we use for Maths calculations at Roundwood, so I thought I would add some more visual help to look at alongside the written Calculation Policy that you can find on our website.

These videos, and the whole series in fact, are a great representations of some of the key methods we use in Maths lessons, which you could watch with your children. They even have some free resources you can access.

I hope they prove useful.

Kind regards,

Mrs. Kraushaar
