## 16<sup>th</sup> October 2020

### Parent Consultations

All teachers are looking forward to speaking to you on Zoom next week for Parent Consultations.

Although our method of communication is different this year, our key topics to discuss with you remain the same:

- ▶ How your child is settling into their new class,
- ▶ Short discussion around learning behaviours and attitudes.

Children's books will not be available to view this time. However, the children will have chosen their own Pride Piece which they are particularly proud of and wish to share with you. All children will bring this home during the last week of term.

We acknowledge that the children will have had different experiences during the last seven months and therefore some of you may be concerned about gaps in their learning. With that in mind, we have written a Recovery Curriculum which can be found on the curriculum page of our school website. This summarises both our approach and the thinking behind it. This approach will support your child's well-being, their re-engagement with learning at school and addressing identified gaps.

We hope that in future terms we will be able to facilitate the viewing of books by using the covered outdoor spaces in school. Visit our Facebook page where we give you an insight into life at Roundwood Primary.

### Spotlight on C3

C3 have had a busy term so far, but we are all enjoying being part of LKS2 and have really taken on board the idea of 'Diving into our Learning'. This week, we have continued to get creative in our art topic and have produced bean mosaics and flower collages. We have been inspired by the dragon theme in English and have written some detailed instructions for how to catch a dragon. We have also come up with some descriptive phrases to describe our own dragons.

In football, we continue to hone our dribbling and passing techniques, as well as developing new skills and an idea of how to select and apply tactics in a game.

C3 are an enthusiastic class and I am incredibly encouraged by the effort that everyone has put into school life so far this term. I look forward to continuing our learning after half term!

Come and join the friendly team at Roundwood Primary!  
Days/Hours: 12.5 hours per week  
5 days, Monday to Friday from 10.30am to 1pm (term time only) -  
we would consider a job share for the right candidates.

## Remote Learning

We have been continuously working on our Remote Learning Policy ensuring it is inline with the government guidance. We have updated this on our website. Please note that if this were to ever be used we have changed the contact email from Home Learning to the name of the class.

## Outdoor Learning Update

We are very pleased to announce that we have successfully secured a grant to aid us with our outside learning projects ☺ and we also have a start date for the KS2 playground project to start. Weather permitting this will be November 4<sup>th</sup>.
