

# Roundwood Primary Newsletter 23<sup>rd</sup> October 2020

Even though I started in April this half term has felt extra special. Having all children back in class and the corridors echoing with the noise of learning has been wonderful. Your children have returned to school, adjusting to the changes and embracing their learning. All staff have worked extremely hard to ensure your child is happy and safe. Along side this we have successfully secured our outside learning grant, and with your help we can start creating our outside reading area. So many wonderful things to look forward to next half term too.

Staff and I wish you all a lovely half term and we will see you all on Monday 2<sup>nd</sup> November.

## Spotlight on C3/4

In C34, over the last few weeks, we have worked hard on developing the presentation of our work. We have learnt about: the planet and the way we need to care for it, we have classified and identified animals into vertebrates or invertebrates, Boudicca, the Romans, made bean mosaics and focused our imagination on dragons. The dragons have inspired us in English and we wrote instructions for how to catch a dragon and train it, wrote a poem to describe it and made pastel drawings to create it.

Miss Byfield

## Covid-19 Symptoms

Please remember that if your child shows symptoms of Covid-19 they are not to attend school and should arrange for a test. This also means that if they have a sibling they too must not come to school until a result has been received.

## Shoes

We sent an email home this week asking for indoor shoes after half as a means to help manage the mud! Thank you for your support on this.
