

Communication and Language

We will be talking about what is happening and what might happen next and make links by recalling our own past experiences.

Our experiences will be used to share and learn new vocabulary.

We will explore asking questions to find out how and why things happen,

Personal, Social and Emotional Development

Stories will be used to support our understanding to share how we are feeling and how our actions can affect others.

Understanding the World

We will be talking about different celebrations from around the world and looking at how they are celebrated.

We will be looking at growing and talking about the changes that we notice that happen over a period of time.

Literacy

We will be listening to stories and nursery rhymes and will be talking about the events at the beginning, middle and end. The children will be encouraged to spot rhyme and to generate a new rhyming word.

Nursery Summer 2021

Our Topic is...

How does your garden grow?

Expressive Art and Design

We will be using our imagination to make simple models to express our ideas. We will be learning new skills of how to join materials through junk modelling.

We will be singing songs to express our ideas and exploring playing musical instruments with increasing control. We will be exploring different ways to move to music.

Maths

We shall continue to carefully count using a variety of different objects and comparing quantities and talking about fewer than and more than.

We will be linking numerals with amounts and showing the right amount to match with the numeral.

Physical Development

We shall be continuing to develop movement, balance and ball skills. We will explore large muscle movements to help support with the development of fine motor skills for mark making and cutting activities.

We shall be thinking about copying the letters to support in writing our name.
