THE AIM OF OUR CHARITY

Our mission is to help children and young people under 25 living in Harpenden or Wheathampstead who need financial support with education and career opportunities.

The priority for the Trustees is to award grants to young people over 16 years of age. However, where available, surplus funds can be used for applicants under 16 years. We approve over 300 grants per year.

WHAT WE CAN DO TO HELP

The Trustees will consider your application in total confidence. We take into account both the financial circumstances of the applicant and the nature of the course, training or occupation being followed.

The lower your overall household income the more we may be able to help.

DON'T MISS OUT ON AN OPPORTUNITY

We offer financial support in many areas including:

- School uniform
- Study books and materials
- Educational trips
- Curriculum related sport/ music/creative arts
- Laptop computers
- College courses
- University costs including accommodation
- Travel costs for work or study
- Apprenticeships
- Career development
- Work tools and clothing

If you would like to find out more please contact our office (by phone or email) or look at our website to obtain further information and an application form. We are happy to chat through the application process or answer any queries you may have. Once the application form has been received, together with any supporting documentation required, your application will be considered by the Trustees.
