

Roundwood Primary School

To Learn - To Live - Together

BOARD OF GOVERNORS' WELCOME LETTER

Dear Parent/Carer

Welcome!

The Governing Body and school work closely together to ensure that all children reach their full potential as they pass through school. Our primary role is to provide a strategic direction for the work and improvement of the school, to support, monitor and evaluate the effectiveness of the school, and to hold the school to account for the standards achieved and the quality of education.

A key part of our activities is balancing the requirements of multiple stakeholders in our school community, so we are always pleased to receive views from parents and carers on your own and your child's experiences at Roundwood. You can contact us through our regularly monitored mail box at governors@roundwoodprimary.herts.sch.uk. Please also look out for opportunities to meet with the governors at coffee mornings and similar events run throughout the year, and make sure you share your views through completing our annual parent survey. You can find out more about who sits on the Governing Body and what we do on the governors' page on the school website and in our occasional newsletters.

The governors are part of a wider group of volunteers, including the Friends of Roundwood Primary, whose fundraising is an important source of income for the school. Many parents and carers give their time willingly to support the school and its many activities. Without this generous support, the school would struggle to maintain the current depth and breadth of experience and support for its pupils. As a new parent or carer to the school, we would encourage you to get involved in whatever way you are able; no offer of help and support will be knowingly turned down!

Yours sincerely,

Rosie Hancock

Chair of Governing Board, Roundwood Primary School.
