

Communication and Language

We will continue to develop our use of correct tenses when speaking e.g. "I am going to the park." "I went to the shop."

We will be learning to answer 'why' questions and express a point of view.

Personal, Social and Emotional Development

We will be continuing to think about how to be a kind friend by sharing and caring with others. We are learning to understand how others might be feeling by exploring situations from different points of view.

Understanding the World

We will be learning about growing and changing. We will plant seeds and look after them. We will be observing ducklings hatching and growing. We will be watching caterpillars hatch in our class room and learning about their life cycle. There will be lots of new vocabulary to learn!

Literacy

We will be listening to Traditional Tales and talking about the main characters, events and repeated refrains in the stories.

We will continue to develop our understanding of the key concepts of print page sequencing, naming parts of a book, the direction of text, the purposes of print and that all print has a meaning.

Nursery Summer 2025

Expressive Art and Design

We will be exploring different artists and their styles such as Jackson Pollock.

We will be singing songs to express our ideas and exploring playing musical instruments with increasing control.

Mathematics

We will be making patterns and noticing errors in repeating patterns.

We are looking at numbers to 5 and talking how to represent these in different ways.

Physical Development

We will be developing our pencil grip and writing our name.

We will be exploring large muscle movements to help support with the development of fine motor skills for mark making and cutting activities.

We shall be continuing to develop movement, balance and ball skills.
