

Drawing comes naturally to young children. It is fundamental to their learning. It is a powerful tool that taps into visual, kinesthetic, and linguistic areas of the brain at the same time, and establishes more neural connections than writing or reading alone.

Our art club helps children retain and develop their drawing abilities, sustain their enthusiasm for self-expression. Drawing by hand helps children develop fine motor skills and creativity in a way that using a tablet cannot fully replicate.

Dear parents and carers,

Please find below the Autumn Term art program.

Booking essential: [Booking Roundwood Art Club](#)

Roundwood Primary School, Harpenden

Friday 3.00-4.00
